

TECHNICAL FEATURES

Prestige and luxury also for small tenders. This is the leitmotiv of Altair Lux design. Roll up tender available with slats or with inflatable floor. These tenders offer maximum comfort and very light weight. The tubulars with longitudinal cut tube shaped as "banana" with big diameters provide stability and buoyancy gliding capability with low power engines.

STANDARD EQUIPMENT:

repair kit, oars, inflator, carrying bag, bow bag.

OPTIONS:

overall cover, removable seat bag, front bag.
